## Memorial Observance Monday

The Annual Memorial Day observance in Grayling will be Monday, May 26th at 10:00 a.m. sponsored by American Legion Post 106. All participating units will gather on County Road adjacent to the cemetery at 9:45 a.m., Parade Marshal Art Thayer announced Monday.

After the program at the cemetery the participants will parade via Plum Street and Michigan Avenue to the Court House where additional services will take place. Because of the City Council's policy regarding parades and banners on I-75 Business Loop, the parade will break up there instead of at the American Legion Hall as in the past.

American Legion Post and Auxiliary members, other veterans wishing to participate; National Guard Units, Grayling Police Department and Fire Department, Girl Scouts, Boy Scouts, Little Leaguers and High School and Middle School Bands, will participate.

If any other person or group wishes to take part they should contact the Parade Marshal.

## Booster Club Announces \$3,600 Scholarship Fund

By Joe Schrader

The Grayling Youth Booster Club will award a total of \$3,600 in scholarship funds to Grayling High School graduates this year, according to an announcement made last week by Club President Bill Duke.

Duke, who was joined by Vice-president Bud Yorkin and GHS school officials when he made the public proclamation last Wednesday afternoon, said this is the first year the organization has made scholarship monies available for GHS graduates. He indicated the program will in all probability be continued in the years ahead.

Although the exact details of how the \$3,600 will be awarded have yet to be worked out, Duke indicated the scholarship programs is specially designed to assist local students in financing future educational endeavors.

"Basic need is only one of a number of factors to be used in selecting the award winners," he noted.

Twenty-one applications have already been received this year

and the selection of winners will be announced at Grayling High's Annual Awards Assembly this coming Friday morning.

A Scholarship Committee will make the selections following interviews with all the applicants this week.

Highlights of the Scholarship Program include: •Candidates must be a student currently enrolled as a senior in the Crawford-AuSable School District or a graduate of Crawford-AuSable Schools within two years preceding the date of application.

•Candidate must have achieved a grade point average in high school commensurate with that required for satisfactory completion of courses at the institution the candidate plans to attend. Minimum grade point average shall not be lower than two (2) on a scale of four (4) during the high school career.

•Student should have a demonstrated ability or aptitude in the area of endeavor. See Scholarship on P. 16

## Mercy Hospital Begins Move

Sister Mary Hilda, R.S.M., Chief Executive Officer, has announced plans for moving patients into Mercy Hospital's new addition in Grayling.

"We began moving patients into the new second floor rooms," she said, "on Tuesday, May 20, 1980. Preparations were made to insure an orderly move in a minimum amount of time." She went on to say, "We opened the new hospital entrance and lobby area at the same

time as we moved into the second floor. This permits visitors easier access into the hospital when visiting patients."

Plans were also announced which reveal possible use of the new Emergency Room and Radiology Department facilities following soon after the patient move.

Mercy Hospital's new addition is part of an \$8 million building and renovation

program begun in the summer of 1978. It is designed to meet the health care needs of the surrounding area. As population growth increases, new procedures and techniques are developed, and more modern equipment becomes available, long-range planning committee will be preparing for future hospital growth in the years to come.

"After the move into the new areas are completed," remarked Sister Mary Hilda, "the contractors will begin renovation of our present main building. Although many changes and improvements are in the plans, we expect the project to be completed by the end of October, this year."

A capital fund drive, which has been underway along with the construction program, has also been showing good signs of success. Jack Witter, Mercy Hospital's Public Relations Director, revealed that \$484,000 has been raised toward a goal of \$500,000. "We are encouraged and hope to go over our goal soon," he said.

An open house is planned for the public after all of the renovation work is completed. That should take place near the end of October. "We want the public to see a finished hospital," said Sister Mary Hilda. "We want them to be proud of the progress that has taken place for them, their loved ones, and for our patients."

"We want them to be proud of the progress that has taken place for them, their loved ones, and for our patients."

## Author of "Crooked Tree" To Be at Grayling Merc Saturday

This coming Saturday, May 24, area residents and visitors will have the unique opportunity of meeting, and visiting with Robert C. Wilson, author of "Crooked Tree".

Wilson will be at The Grayling Mercantile Company from 1:00 to 4:00 p.m., and everyone is urged to join in extending congratulations and best-wishes to him.

Wilson is the great-grandson of Nels Michelson, former Grayling lumberman who donated the Michelson Memorial Methodist Church, grandson of Axel Michelson, who was also a lumberman and realtor in the Grayling area, and the son of Andrew F. and Jean (Michelson) Wilson, who are long-time summer residents.

Mr. Wilson wrote most of his novel at Lake Margrethe. A copy of "Crooked Tree" is presently available at the Crawford County Library, and a limited number of Wilson's book will be available for sale and autographed by the author at The Grayling Mercantile Co.

The following is a quote from The Literary Guild Magazine for July, 1980, which is offering "Crooked Tree" as an alternate July selection: "The black bears of Crooked Tree State Park have suddenly, inexplicably, turned ferocious and begun a rampage of killing. ## Sinks Hole in One During Tourney

Pat Eckerly of Roscommon aced the 193 yard 18th hole at Burning Oaks golf course using a 4-wood during the annual Grayling-Roscommon Intercity Tournament, won by Roscommon.

Witnessing the fete was Jim Ostling of Roscommon, Tommy LaMotte and Tom Brogger of Grayling.

## Warning

"Range firing will be conducted by units of Michigan Army & Air National Guard during the period 28-31 May: 1 & 3-8 June 1980.

Small arms, field artillery, high performance fighter aircraft will be firing.

The Air to Ground Range and Artillery Range which is located east of Guthrie Lake and north of County Road 612, will be in use. Also, the Rifle Ranges west of the main camp will be in use during the period.

The ranges will be closed during the above dates and all persons are warned to stay out of the range areas."

## Historical Museum

The Crawford County Historical Museum will open for the summer season on May 30, 1980. Hours will be from 10 a.m. to 4 p.m. Already many of our wonderful citizens have volunteered to give their time to show artifacts to those interested in the history of Crawford County. Elmer Fenton has spent many hours arranging the artifacts.

Wilson is the great-grandson of Nels Michelson, former Grayling lumberman who donated the Michelson Memorial Methodist Church, grandson of Axel Michelson, who was also a lumberman and realtor in the Grayling area, and the son of Andrew F. and Jean (Michelson) Wilson, who are long-time summer residents.

## Medical Ed. Meeting May 27

The May meeting of the Crawford County Continuing Medical Education Program will be held at Mercy Hospital in the North Wing Dining Room on Tuesday, May 27, at 7:30 p.m.

Dr. Kim Waterfall, Board Certified Family Physician from Gaylord, will discuss "Emergency Childbirth." A question and answer period will follow his presentation.

## Early Copy Needed

Due to the Memorial Day Holiday, Monday, May 26th, advertising and news copy must be in the Avalanche office by Friday, May 23rd, for the May 29th edition. Your assistance will be appreciated.

## AuSable Wild and Scenic River Study

The final AuSable Wild and Scenic River Study report/environmental impact statement is nearly complete. The Huron-Manistee National Forests have announced the final document will be completed and sent to the Secretary of Agriculture for his evaluation, decision, and final recommendation to Congress.

"The public response, other considerations, and our analysis will be carefully evaluated by the Secretary of Agriculture in making his final recommendation to Congress," commented Wayne Main, Forest Supervisor of the Huron-Manistee National Forests.

The proposal to include certain sections of the AuSable River in the National Wild and Scenic Rivers System concluded an extensive study of the river area. The draft proposal was offered for public review in July 1979, and the public was invited to respond either in writing or at a series of public hearings.

The draft proposal offered six alternatives for public consideration. Alternative 1, a no-

action alternative, was simple a continuation of current management. Alternatives 2 and 3 were separate economic development alternatives that featured maximum recreation benefits and maximum timber and mineral benefits. Alternative 4 provided for protection of the river area through inclusion in the State Natural Rivers System. Alternatives 5 and 6 were National Wild and Scenic River alternatives, which offered federal protection to 91 miles of river.

The final document will offer

## To Receive Scout Honor Badge

David Shires, son of Mr. and Mrs. David Shires, will receive the Eagle Court of Honor Badge on Saturday, May 24th at Calvary Baptist Church on M-72 West. The public is invited to attend the 3:00 p.m. ceremony.

## Public Notice

Dial-A-Ride will not be operating Memorial Day, Monday, May 26th.

## Over Assistant's Salary It's Kent vs. County in Pay Squabble

By Joe Schrader

The Crawford County Board of Commissioners, already struggling to make financial ends meet, now faces another legal fight that threatens to dip into its already well-worn pocketbook.

Former Prosecuting Attorney Thomas Kent has filed suit against the Board over a dispute involving back pay for his former Chief Assistant, Alton T. Davis, who was named to succeed him by Circuit Court Judge William Porter on April 28th. The suit was filed April 30th. Kent's last day in office before leaving to assume a position in Grand Rapids.

It alleges the county acted improperly in cutting the salary for the Chief Assistant Prosecuting Attorney from \$5,000 per year to \$2,500 in 1977. Citing an Attorney General's opinion rendered April 10, 1980, Kent also challenged the county's right to discontinue, altogether, funding for the position in 1980.

In a letter co-signed by Kent and Davis to the county dated April 10, 1980, the sum of \$2,500 in

back pay was sought for 1977 in addition to sums "wrongfully withheld thus far for the calendar year 1980." The letter also asked that the salary for the Chief Assistant be reinstated to the county payroll.

Kent is the only plaintiff named in the suit dated April 30th.

The Board made the first cut affecting the 1977 annual salary on January 10th of that year, even though a higher salary had been approved when the budget was prepared in the fall of 1976. In 1978 the \$5,000 salary was reinstated and in 1979 raised to \$5,300. But in a budget-trimming move in the fall of last year, no pay at all was appropriated for an Assistant Prosecuting Attorney for 1980.

When the Board refused to acquiesce to Kent's request for back pay, the Prosecuting Attorney sought an Attorney General's opinion. Kent claims the opinion received April 10th supports his contention that pay for an Assistant Prosecutor, once fixed by the Board, cannot be diminished during his term of office.

## Marguerite Clark is "Mother of Year" at Timberview

By Joe Schrader

Marguerite Clark, Timberview Village resident now for the past two years, last Wednesday was named Timberview Mother of the Year where she was honored at a noon luncheon attended by relatives and friends.

Now 80 years old, Mrs. Clark had been a fifty year resident of Roscommon where she moved with her husband, John, who had assumed management of a gravel plant there in 1930.

Mrs. Clark was selected because of her friendly disposition and ready willingness to be of help, exclaimed a See Timberview on P. 16

## Correction

This will correct an error made in the notice in last week's edition regarding filing of nominating petitions for county offices.

Norman F. Parker has filed a nominating petition on the Republican ticket for a position on the Crawford County Road Commission Board. Douglas C. Dossou (R) has filed a petition for the position of Crawford County Prosecuting Attorney.

The Avalanche regrets any inconvenience this may have caused.

## Need Umpires

The Women's Soft Ball leagues are looking for umpires. Anyone interested are asked to call Wendy Kucharek at 348-7528.

## More Petitions Filed This Week

Two nominating petitions were filed last week for county offices, according to Deputy Clerk Nancy Krey.

Harold Hatfield (R) filed a petition for the Crawford County Sheriff's post, a position he held from 1973 through 1976. Lawrence Mattis, currently Chairman of the Board of Commissioners, has filed a nominating petition for District II, Commissioner's Board, on the Democratic ticket.

## Two Ribbon-Cuttings This Friday

Two ribbon-cutting ceremonies will take place this Friday, officially announcing the relocation of two Grayling businesses.

The Grayling Area Chamber of Commerce has scheduled the Northern National Bank ceremony for 10:00 a.m., at their new location now at the former Michigan Consolidated Gas building, and a second for 11:00 at Nene's Nook, which has moved to the old Avalanche building on Michigan Avenue.

## Receives Approval to Replace X-ray Equipment

Mercy Hospital, Grayling, received approval from the State Health Director May 5 to replace x-ray equipment that no longer meets the requirements of the Ionizing Radiation Rules of the Michigan Department of Public Health.

The new equipment will be installed at an estimated cost of \$120,000 and will be ready for use in June.

The State Health Director's decision coincided with the recommendation of the Northern Michigan Health Systems Agency; however, Mercy Hospital is required to furnish the State Health Department with complete details of actual cost prior to signing an enforceable contract.

## Fly Fishermen Conclave Here June 13-15

Grayling Holiday Inn's HOLIDOME will be the setting this year for the Federation of Fly Fishermen Midwest Council Conclave, scheduled for June 13-14-15.

A diversified and varied program is being planned and featured guests will include Joe Humphreys, Professor of Angling, Penn State University, Dr. Carl Richards, honored guest and Michigan's own fly fishing guru, and Dr. Ray White, Michigan State University Fisheries Biologist.

Humphreys will be featured speaker at Saturday evening's banquet festivities. Registration is \$50 per person and banquet cost is \$7.50 per person.

## Final Choir Concerts May 21-22

Final Choir Concerts for the Grayling High and Middle Schools will be in the Joseph Stripe Auditorium.

The High School Concert is Wednesday, May 21st at 6:30 p.m. and will feature classical and pop tunes including "You Light Up My Life," "If" and a Beatles medley.

The Middle School Concert is Thursday, May 22nd at 7 p.m. and includes the 6th, 7th and 8th grade choirs. Songs include "Bandstand Boogie", a Grease medley, "Time In a Bottle" and "Don't Cry Out Loud."

Also featured at this concert is the new show choir "Contact!" doing a number of song and dance routines including a Godspell medley.

The public is invited and admission is free! Come out and support your music department.

Middle School Wins  
League Track Crown

Congratulations to the new Michigan Huron Shores Girls Middle School Track Champions The Grayling Middle School Track Team!!

Last Friday the girls traveled to Charlevoix for the conference meet and came away with seven (7) individual conference champions and one (1) relay conference championship. In the process, Grayling set 7 new conference records. Grayling now holds 9 of the 15 conference records. Grayling placed people in 14 of the 15 events which indicates a very well balanced team. 3 school records were set: Jean Bitner in the 60 low hurdles, Karyn Reynolds in the mile and Dawn Sheldon in the 75 yard dash. Also, Jean Bitner took first in three events.

The final score was: Grayling 80, Charlevoix 51, Gaylord 28, Cheboygan 31, Petoskey 20, Boyne City 16 and St. Ignace 3.

Here are the places for Grayling: High Jump: Jean Bitner 1st; Long Jump: Dawn Weatherly 2nd, Melissa McEvers 5th; 2 Mile: Stacey Wolcott 1st, 5th Lisa Solomonson; 60 yd. L.H.: Jean Bitner 1st, Lisa LaMotte 5th; 880 Reley: Gina Medley, Stacey Robinson, Shari Chapin, Wendy Callan 3rd; 880 Run: Jodie Christman 1st, Diann Munsey 4th; Mile: Karyn Reynolds 1st; 110 Yd: Dawn Weatherly 2nd; 440: Jodie Christman 2nd, Heidi Bendig 3rd; 100 yd. L.H.: Jean Bitner 1st, Paula Solomonson 3rd; 75 Yd.: Dawn Sheldon 4th, Melissa McEvers 5th; 220: Dawn Weatherly 1st, Wendy Callan 4th; Mile Relay: Karyn Reynolds, Stacey Wolcott, Shari Chapin, Heidi Bendig 1st; 440 Relay: Gina Medley, LeeAnn Lovell, Dawn Sheldon, Melissa McEvers 5th.

The victory was the first MHS-conference championship in Middle School history.

that the bears are controlled by an evil spirit that has taken possession of a human body. But whose body?

Axel Michelson, whose wife is of Ottawa ancestry, cannot bring himself to believe in the Indians' superstitions—until he sees human footprints beside those of the bears...and until he sees his wife's eyes glow in the dark like an animal's and discovers the unspeakable contents of a leather pouch she has hidden from him. The horror now threatens Axel—and has already touched his own wife."

Bits O'Talk

By Fay Bovee

Guests for Mother's Day at the home of Ed and Sally Hartig, were his parents, John and Louise Hartig, daughter, Lynn, and friend, Chuck Bushey, daughter Sue, and friend, Mike Thompson, son, Bill, and his wife, Carla. Bill has just returned home for a ten-day leave following a five month Mediterranean Cruise to ten different countries while his wife stayed with her family. After an enjoyable dinner and visit with family and friends, Bill and Carla left Saturday evening, May 17, to return to Norfolk, Virginia, where he is stationed in the United States Navy. He will report for duty aboard the U.S.S. Savannah.

Watch for the re-opening of The Cook's Cottage in their new location between Weaver's Gifts and the Grayling Restaurant.

Mr. and Mrs. Hal Walker are home from their winter in Thonottosasa, near Tampa, Florida. They visited relatives in Kentucky on their way home and did some fishing in Kentucky Lake.

Gary and Rhea Glisan and daughter, Julie, of Augsburg, Germany, are spending this week with her parents, Mr. and Mrs. Joseph Stripe.

We had the opportunity to spend the weekend in Ann Arbor where Bob attended the Kiwanis Michigan Foundation board meeting at C.S. Mott Children's Hospital. The Foundation helps finance some of the children's recreational facilities as well as furnishing hospitals throughout Michigan with coloring books for children who have to be hospitalized.

The Cook's Cottage has all new inventory for you. They will be opening in their new location soon, between Weaver's Gift and the Grayling Restaurant.

My walks were limited this week but one of my readers noticed an unusual phenomenon in town—a wild cherry tree in full blossom growing out of the half dead maple tree on the school grounds at the corner of Chestnut and Ogema. Take a look for yourself!

Mrs. Charles Moore (Beulah) spent Mother's Day with her family, at the home of her son Tom and wife Genevieve Douglas, located on Silver Lake, Traverse City.

ARCHERY CHAMPS!!!—Grayling Archers walked off with ten State Championships and a number of other top awards in a Michigan Archery Assoc. meet held May 4th at Marquette.

## From Our Corner ...

Once again we are approaching one of the most important days on our calendar...next Monday, May 26th we will celebrate Memorial Day...the day one stops and pays respect for those we knew who paid the supreme sacrifice while serving their country...let it be a day we "lest forget" for the many...

Another dull week and it is beginning to look like this will be another one of our dull columns...just can't seem to get with it, could be spring fever...the weather is just beautiful today following a lousy Sunday which forced our bride to cancel her golf game which doesn't make it very pleasant around our household when she has the day off and it rains...

We are looking forward to this weekend when we will return to Gaylord for our 41st class reunion...plans are for the 1939-1940 and 1941 classes to meet seeing as how they were all small when we graduated and most of us chummed around together...there are some we haven't seen since 1939 and we are sort of anxious to renew old acquaintances...

The night crawlers were out over the weekend and did some of their normal damage...one of the trees in front of Keyport Clinic was uprooted...it is hard to believe how anyone can get any enjoyment out of wrecking other people's property...but I guess it takes all kinds to make the world go around...some we could do without.

A memo to our city manager...Jerry, we are sorry but we have been to busy this past week to go around and look for broken curbs, maybe after Memorial Day we will have the chance and will let you know just where they are...

Boy this is going to be a dull column...we still haven't been able to come up with any earth shaking gossip, and now that the railroad tracks project is on the drawing board for this summer, we just are unable to think of anything to get our natives stirred up this week.

We remember last year of coming up with a blah column, it was similar to this one...Irv McIsaac jumped us right after the paper was out, and thoroughly agreed with us, it certainly was blah and told us the next time we had a similar situation to let him know so he wouldn't spend 20 cents for nothing...so, here is your warning Irv, don't invest in this issue seeing as how I just heard you were unemployed...again...

There are a few happy thoughts today...we attended an open house in honor of Mrs. Grover Cox on her 80th birthday Sunday at the home of her daughter and husband Dr. and Mrs. Ralph Hoffman...we hope we are as spry as she was Sunday, that is if we are able to make that milestone...

This about does it for the ol fella...have a beautiful weekend...pause for minute in respect for those who gave their lives for our country...

The Tony Burons have had a new two car garage built at their home on Vine Street.

Mrs. William J. Millikin was the guest of honor at a stork shower held Thursday, May 16, at the home of Mrs. Leo Morency. Co-hostesses Miss Joan Williams, Mrs. Fritz Williams, Mrs. Don Parkinson entertained the 16 guests with games. The guest of honor was winner in the word game, Mrs. Floyd Goshorn low scorer. Mrs. Marian Shirkey high Mrs. Monte Malonen high and low scorers in "penny-wise." At luncheon, Mrs. Earl Isenhauer was the high scorer, Mrs. Don Millikin, low. Mrs. James Parkinson captured the door prize. Mrs. Millikin received a bathinette as a group gift, along with many other gifts.

Mr. and Mrs. Claude Halstead spent Sunday and Monday a week ago in Grand Rapids, on a buying trip. They detoured by way of Holland to see the masses of tulips in bloom there.

### 46 Years Ago May 24, 1934

Mr. and Mrs. George Nolan, of Rosebush, visited Mrs. Williams McNeven over the weekend.

Miss Isa Granger is driving a new Plymouth purchased from Corwin Auto Sales.

Mrs. Lois Klein, a resident in the eastern part of Grayling township, Wednesday purchased several milk cows from Peter Reuter, thus increasing her dairy herd.

Misses Margrethe and

Ella Hanson attended an Alpha Phi luncheon in Saginaw Tuesday.

A grill room at the Fisher Hotel opened for business Friday night. The place had been completely remodeled and redecorated, and new plate glass front put in. New tables with benches line each side of the room, where hot coffee, lunches, beer and liquors are served. Outside a fine new canopy reaches across the entire front of the building. This is electrically lighted underneath, and above there is a neon sign "Hotel." Lon Collen is the manager.

Seventeen Sophomores of Whittemore stopped in Grayling Tuesday on their annual skip-day. After having dinner at Bugby's Restaurant the party visited the High School, Military Reservation, the Pines and the Fish Hatchery.

### 69 Years Ago May 25, 1911

A.B. Failing is in attendance at the meeting of the Grand Lodge F. and A.M. at Port Huron this week.

Miss Anna Reiss of Ludington, sister of Father Reiss, is spending a few weeks here.

J. Kraus is building a residence on the lot east of the home of Prosecuting Attorney Walton.

At present there are three new cases entered the hospital. Two critical operations took place. The patients are all progressing nicely.

George Langevin's new house is progressing so that on completion it is to be a handsome addition to our village, and an elegant home.

Four inches of rain fell here Sunday P.M. within two hours, and half as much on Monday with terrific thunder and lightning.

Chief Shoppenagons is enjoying a rest in Mercy Hospital, his extreme age and debility demanding better care and treatment than could be furnished in his home.

## The Bible Speaks

From Calvary Baptist Church

### SAVED AND STRONG

Joshua 1:9

Following the death of the great leader Moses, God instructed Joshua to take the place of leadership. In this instruction God said, "Be strong and of a good courage..." Joshua 1:6a. In verse 7 God repeated this command, "Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee: turn not from it to the right hand or to the left, that thou mayest prosper whithersoever thou goest." The Christian who is courageous must never deviate from the Bible. God's Word is the source of Christian strength and courage.

Weak, cowardly, fearful men may name the name of Jesus Christ, but they sure can't stand

in the presence of God and say they are obedient to His Word or His Will. "Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord Thy God is with thee whithersoever thou goest." Joshua 1:9.

Oh how we need Christians today who are both strong and courageous. Strength is meaningless without the courage to employ it. Courage is meaningless without the strength to fulfill it.

Our real source of strength and courage is to come to the written Word of God and allow the living Word in His eternal presence to mold and shape us. When we become aware that the person of God will never leave us, and the Word of God will never fail us, we are ready to submit ourselves to God's control. A person who knows he can never be left alone is in a position to develop great courage, especially when the one with Him has no fear. A person who knows the plan and will of God in His Word can face the circumstances and pressures of this world with a power to meet every test and trial.

"Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest." Joshua 1:9. (adv.)

## County Adopts State Mechanical Code

Effective April 5, 1980 the State of Michigan adopted a nationally recognized Code which establishes standards in terms of performance objectives, implemented by specific requirements, which provide reasonable safeguards to protect the public health and safety against the hazards of inadequate, defective, or unsafe mechanical installations.

The mechanical code provides for the design, installation, maintenance, alteration, and inspection of mechanical systems which includes: heating systems; cooling systems; steam and hot water heating systems; process piping; boilers and pressure vessels; appliances using gas, liquid or solid fuel, including wood; chimneys and vents; mechanical refrigeration systems; fireplaces; installed barbecues, incinerators; fire suppression systems; air pollution control systems; and systems utilizing solar or geothermal energy, as an energy source.

Under the State Construction Code Act, Act 230, PA 1972, as amended, counties are responsible for the administration and enforcement of the Mechanical Code. In the event the county refuses to administer and enforce the Code, the State will then assume this responsibility.

After reviewing the Permit Fee Schedule adopted by the State, the Crawford County Board of Commissioners determined, that in the public interest, this Code could be administered and enforced locally at approximately a 50 per cent savings to County residents.

Therefore, effective June 1, 1980, permits will be required for mechanical installations listed above.

## Township Officials to Meet in Grayling

Over 150 township officials from Antrim, Kalkaska, Crawford, Missaukee, Roscommon, Emmet, Otsego, Charlevoix, Cheboygan, and Presque Isle Counties are expected to attend a Michigan Townships Association District Meeting on May 30, 1980, at Holiday Inn, Grayling, according to Michael Barnett Supervisor, Presque Isle Township.

"The District Meeting is an important part of every township official's efforts to gain further expertise in the duties of his or her office," Barnett stated. "It is also an excellent opportunity to discuss current issues with state officials," he added.

Included as speakers at the upcoming meeting are Gary Buckberry and Laura Pieper of the Office of Intergovernmental Relations, Michigan Department of Management and Budget, who will present an analysis of the various property tax reform proposals facing voters in November.

Also participating will be Wayne McKenna and Joe Hull from the Division of Emergency Medical Services, Michigan Department of Public Health, who will explain ambulance and rescue service operation rules and statutes.

The newly formed Michigan Mobile Home Commission, Department of Commerce, will be represented by Steve Zamiara, Commission Director. The Mobile Home Commission's recently developed rules governing on-site requirements of mobile home parks will be discussed, as well as mobile home taxation and valuation assessment issues.

Larry Holcomb of the Resource Recovery Section, and Tim Wright of the Waste Management Planning Section, representing the Michigan Department of Natural Resources, will explain financial assistance to townships for planning solid waste management and implementing landfills or resource recovery systems.

Local property assessors will

have an opportunity to attend a three-hour state certification renewal program, conducted by Barbara Christensen, Executive Secretary of the State Assessors Board, Department of Treasury.

Other programs offered include local government accounting, cash management and public personnel administration.

The Michigan Townships Association (MTA) conducts District Meetings annually at 19 sites across the state. 1,225 townships are members of MTA, which represents over 7,000 township officials throughout Michigan.

## Par For The Course

By Fay Bovee

Wednesday Golf Auxiliary play began with a shotgun start on May 14 at 9 o'clock. With 56 women signed up this season, the start became a necessity to insure that everyone arrived back at the clubhouse in time for the noon luncheon. The potluck was served by the board members and next week everyone will be "brown bagging" it, with Flight A scheduled for the potluck luncheon on May 28.

Taking low gross in Flight A was Dottie Brady with a 46 and sharing low net with Betty Layman with 35. Betty also sank 13 putts. In Flight B, low gross was taken by Jeanne Thompson with 53, low net by Laura Schans with 33, and Marti Nowak, low putts of 13. Peri Griffith topped Flight C with low of 64; low net and low putts went to Mickey Perez with 35 and 14, respectively. Mickey also chipped in on No. 6.

## Class of '65 Reunion

The Grayling High School Class of '65' will hold their Reunion on Aug. 16, 1980.

All graduates should be receiving letters soon, but we still do not have addresses for the following people: Mike Hunn, Robert Hayes, Gary Vallad, Shirley Madsen, Ed Robertson, Wave Berry, Carolyn Klein, Linda Toleson Bob MacIntosh, Juanita Galloway, Pat McEvers, Bob Millikin, Fay Roberson, Bob Skolasky, Linda Stevens and Bob Wyman.

If anyone knows the addresses of any of the above please notify Marie (Scott) Keisoglon, 2303 Woodland, Royal Oak, Mich. 48073 or Dan Feldhauser, 3460 Margarette Dr., Trenton, Mich. 48183.

## CF Bike-A-Thon Set for May 31

The Cystic Fibrosis Foundation will be sponsoring a "Cyclin' for CF" Bike-a-thon on May 31 from 10 a.m. to 3 p.m. The announcement was made by Darla Moore, volunteer Chairperson for the 1980 CF Bike-a-thon.

The course will begin with registration at Camp Grayling and will run on a 1 mile course. A participant may complete the course as many times as he wishes. The event is open to all persons who obtain prior sponsorship for at least 10 cents per mile. A person may get as many sponsors as he can. All proceeds will go to benefit children stricken with Cystic Fibrosis and related lung diseases. An official CF T-shirt will be awarded to all those who bring in \$25-\$49; bike bag to those turning in \$50-\$99 and both a T-shirt and bike bag to those turning in \$100 or more.

Cystic Fibrosis is a terminal, genetic disease which affects the lungs and digestive system of children. One in 20 persons (over 400,000 Michiganders) are carriers of the recessive CF gene. Research sponsored by the Cystic Fibrosis Foundation has increased the life expectancy of CF children by more than 16 years in the past 17 years of activity.

Anyone wishing to participate in this project should contact Darla Moore at 348-8525 or 348-9633 for further details and registration forms.

33 riders participated in last year's Bike-A-Thon with 31 bikers earning T-shirts. A total of \$1,677 was raised for Cystic Fibrosis.

For those who need transportation to Camp Grayling meet at the Middle School Gym by 9:45 a.m.

Sponsor Sheets are available at all school offices, and at the Crawford County Avalanche.

## Larson-Kester Vows Spoken

On March 1, 1980 at 4:00 o'clock in the afternoon, Cynthia Kay Larson became the bride of Kenneth Kester, at the Free Methodist Church, with Rev. Otis Smith officiating.

The bride is the daughter of Mr. and Mrs. Ronald Larson, Grayling. The bridegroom is the son of Mr. and Mrs. Herbert Kester of Windham, Ohio.

Vickie Hart, sister of the bride and Robert Fortney, a friend of the groom attended the couple.

A reception immediately followed the wedding.

On May 10th an open house was held for the newlyweds at the home of the bride's parents.

## Hospital News

The following were among those admitted to Mercy Hospital during the past week: Karen Respecki, Jack Johnson and Calvin Labo all of Grayling; Patricia Babbitt, Ilesa Partridge, Warren Bindschatel and Lauvondia Wilson all of Frederic; Cynthia Marsh and Marcus Newton both of Roscommon.

Those discharged: Keith Arnold, Phyllis Walker, Blanche Azelton and Elmer Fenton all of Grayling; Patricia Babbitt and Warren Bindschatel both of Frederic; Marcus Newton of Roscommon.

Gerald and Karen Respecki of Grayling are the proud parents of a baby boy, Gerald John Jr., born May 17, 1980 and weighing 8 lbs. 13 1/2 ozs.

Roger and Constance Sanderson of Prudenville announce the arrival of a baby boy, Jesse Lee, born May 15, 1980 and weighing 9 lbs. 2 ozs.

Mark and Cynthia Marsh of Roscommon gave birth to a baby boy, Keith Earl, born May 15, 1980 and weighing 8 lbs.

## W.O.T.M. News

First of all we would like to thank all of the members that showed up to take up the old carpeting. It looks so nice we are wishing everyone would stop in to see.

We would also like to thank everyone that has been coming in to work Bingo.

The show up for the voting was so great. We are wishing all meetings were so nice.

New Officers are: Sr. Regent, Stella Johnson; Jr. Regent, Cheryl Starr; Chaplain, Maxine Watson; Treasurer, Gladys Fischer; Recorder, Rose Wales. Good luck next year! We are sure the girls will do a good job.

The meeting was opened by Judy Eberts, Sr. Regent. There was a fair turn out. Come on girls.

Next meeting is June 2, 8:00 p.m.

Chuck, May 21, 1955-1980

One day in May, sometime back,  
Twenty five years to be exact,  
A tall nervous groom and a shy young bride,  
Entered married life side by side.

Times were lean and money tight,  
You farmed by day and worked by night,  
We gardened and canned and tried so hard,  
Built on to a little house and kept up a yard.

God was always present in our home,  
He sent us four beautiful babies to call our own,  
Two little boys and two little girls,  
From then on, our life was a busy whirl.

We've been through boy scouts, girl scouts, sports  
and pets,  
Boyfriends and girlfriends, but somehow I see,  
The best times with them are yet to be.

We went into business, a real family affair,  
Everyone knew what to do, when the boss wasn't  
there,  
Because of this, we relocated in a new town,  
We all pulled together through ups and downs.

We've shared so many things, good and bad,  
And think of all the wonderful times we've had,  
Thanks so much for the first twenty-five,  
God knows you're my reason for being alive.

All of my love as we begin the  
next period of our lives together.

## Final Travelogue Thursday Film of Local Sites To End Travel and Adventure Series

The final travelogue of the season will be shown at the Grayling Holiday Inn on Thursday evening, May 22, rescheduled after a mix-up in scheduling caused its cancellation last week. Show time has been set at 7:30 and tickets will be available at the door. This is the special "BONUS SHOW" which appears on the back of the passport to Adventure and those who purchased a "Passport" during the series will be admitted free...even though all of their punches have been used up. As has been the custom all season, the chef at the Holiday Inn is preparing a very special buffet which will be served, at special prices, on the dining terrace prior to the travelogue. Thursday evening's buffet will resemble a Lumberjack meal of the years past with such entries as Beef Stew and Lumberjack Biscuits, Baked Honey and Pecan Chicken, an old lumber camp dish consisting of peas, bacon and potatoes, Bake Potato, Mixed-Up Vegetables and a Salad Bar. A non-alcoholic beverage is included. Serving will begin at 5:30 which will provide travelogue goers ample opportunity to enjoy a hearty meal.

At the present time, our Travel and Adventure Series is showing \$212 in the red, and it is hoped that this final extra show will put us in the black. Though

slightly shorter than previous shows, Thursday evening's travelogue should prove to be of great interest to the people of the Grayling area. Many of the spots to be visited in this full color adventure are found right here in Crawford County and the surrounding area. Pay a visit to Hartwick Pines State Park where carefully planned displays depict life in a Michigan lumber camp at the turn of the century. Stroll through the quiet of the virgin forest and stand in awe at the majesty of the Monarch Pine. Pay a visit to the biggest industrial sawmill in the Great Lakes States and watch as log after log is turned into lumber, chips and sawdust.

Experience the thrill of riding a hang glider over the sand dunes of the Lake Michigan shore or stand in revered amazement in the shadow of the world's largest crucifix. But more than that, discover the many varied and exciting things that you can find to do right in your own back yard.

**CHURCH ELDERS HERE**—Two elders for the Church of Jesus Christ of Latter Day Saints are currently serving in the Grayling area, spreading the word of the church amongst residents here.

Elder T. Hale at left, from Camarillo, California and B. Olsen of Salt Lake City are here representing the 4.5 million member church organization. "We share the Church of Jesus Christ to those who desire to learn" is how they describe their mission here.

Their emphasis will center around the family unit with a program designed to build and increase love and unity in the home.

Besides spreading the word of the church, they discuss genealogy and the organization's concern for food storage.

**MAKING COMPOST**—Mrs. McEvers' two science classes are making a compost pile with plant type food scraps and leaves in the new nature center behind Grayling Elementary School. All this spring we have been doing things in the Grayling Elementary Riverside Nature Center.

Mr. Nunn, our principal, helped us take the leaves back into the nature center for the compost pile. A compost pile is made of dry plant material and wet plant material. In the picture is Jerry Gauthier, Tracie Kurk, Jeff Wolcott, and Ronnie Medley. Written by Tracie Kurk and Carry Boddy.

## Timing of rescue attempt questionable

RICHARD MILLIMAN

PRESENTED HEREWITH, some purely personal perceptions, take 'em or leave 'em, as you will.

The ill-fated Iranian rescue mission, seemed to be in keeping with everything else that has happened to us in the Iranian crisis since last November. It was tragic, humiliating, frustrating, resembling fiction rather than reality, just as everything else has been. Yet it happened. I don't object to the attempt to rescue the hostage prisoners; however, I do seriously question the timing, which seemed to contradict our simultaneous actions and words. It seemed to me the fitting time for rescue attempt was last November or December. As to the military or strategic aspects of the play, I'm not qualified to comment. Few are.

I can't shake the growing fear that no matter how many avenues we pursue, the 53 hostages are doomed. I fear they will likely be caught up as early victims when the powder keg which is present-day internal Iran finally explodes, as it certainly will.

An elemental question, perhaps, but I've never seen the answer: who is paying for the keep of the Hostages in Iran? Who pays for the food, for example? Who pays the cook, who was hired back with much fanfare?

PRESIDENT CARTER'S appointment of Edmund Muskie to become secretary of state seemed to me to be an excellent political move by the President. In a stroke, he has strengthened his bridges to the Kennedy-liberal wing of his party, so ably manned to date by Vice President Mondale. Whether Mr. Muskie will make a good secretary of state is purely academic; his appointment strictly political. I was surprised Mr. Muskie accepted the job.

That Mr. Carter's manipulation of the White House and his incumbency is transparent politics should be no surprise. That's the way the art is practiced, and Mr. Carter's a master at it. He signed an economic aid bill for the new Volkswagen plant in Michigan just days before the Michigan Democratic caucuses. He visited the wounded servicemen in Texas just days before the Texas primary. He vacated the rose garden for the campaign trail about the same time opinion polls showed him running behind

Ronald Reagan, citing, of course, that things were better so he could be freed from his self-imposed rose garden restrictions; yet, what had changed for the better? Nothing. It should be understood that Mr. Carter is in a fight for his political life, and is using every means at his command to survive. It should also be understood that his actions are what they are: blatant politics.

MICHIGAN'S GOV. Milliken finally announced his choice for president. George Bush got the nod. But Milliken's timing, when Bush is so far behind front-runner Ronald Reagan, is open to serious question as to its political advisability. Milliken can't really help Bush at this point; but he does strain his posture with the inevitable winner, Mr. Reagan. When Gov. Milliken says he has no ambitions along the Potomac and seeks no federal job, I believe him; his actions, such as his late endorsement of George Bush, prove it.

I'm still not convinced on the Olympics boycott, one way or the other. I can see merit in a united position against participation, thus registering our national objection to Soviet militarism; yet I can see merit in the argument that the boycott is too weak a gesture to have significance beyond national petulance. Then came May Day, and its traditional celebration in communist countries. The official Russian observance of May Day in Moscow drew the appearance of United States diplomatic officials in the audience. Yet our American athletes are expected to boycott the international Olympics. I don't quite understand all the innuendos of international diplomacy, I guess. It just seems inconsistent to me.

To close with some added comment on the Iranian rescue mission. I cringe whenever I read or see criticism of those who conducted the raid, and references to Keystone Kops or similar demeaning terminology. The servicemen involved certainly did their best, the eight who died were killed in the line of duty, and the aim of the men who were on the front line is not justified, in my opinion; the criticism, if due, should be aimed at those in charge. That's where the buck should stop; that's where any fingers should be pointed. Tragedy, yes; comedy, no.

Julie Ann Stephenson became the bride of Perry Lee Papendick in a double ring candlelight service at Michelson Memorial United Methodist Church on May 3, 1980. Reverend George Spencer officiated at the 2:30 p.m. ceremony.

Music was provided by Janet Dice, who played the traditional wedding music.

The bride is the daughter of Mr. and Mrs. Harold Stephenson of Newport, Michigan and Mr. and Mrs. Dale Wooden of Grayling.

The bridegroom, is the son of Mr. and Mrs. Clarence Papendick of Westminster, Colorado. He is a 1977 graduate of Grayling High School and is presently employed at Bendix in Gaylord.

Accompanied to an altar decorated with daisies & carnations, by her father, Miss Stephenson wore a floor length gown, with short sleeves and a scalloped neckline. The gown had a full skirt with a lace overlay and accented at the bottom with several rolls of lace ruffles. She wore a three tiered veil made by her mother and carried a trailing bouquet of mint green carnations, white roses and baby's breath.

Terri Cote was maid of honor. Bridesmaids were JoAnn St. John of Warren, Mich., Laura Cooper, Cindy Helsel, Connie Jackson of Madison Heights, Mich. Heather Jo Wooden was the flower girl.

The attendants were gowned in pastel colors of mint green, baby blue, pink, yellow and apricot. Their flowers were pastel daisies and carnations.

Luke Helsel served as best man. Groomsmen were Scott McClain, Roger Palmer, George Cooper, John Stephenson. Bryan Jackson of Madison Heights, Mich. was the ring bearer.

For her daughter's wedding, Mrs. Wooden wore a long flowing gown of blue chiffon. The bridegroom's mother wore a yellow gown with a V-neckline and long sleeves.

A reception was held at Auman's House of Catering for 150 guests. Music was provided by AuSable Riverband of Fredric. Attending from out of town were Mrs. Delores Papendick of Westminster, Colorado and Mr. and Mrs. Kenneth Kilgus of Lake Helen, Florida. Other out of town guests were from: Madison Heights, Oak Park, Midland, Lake City, Warren, Newport, Monroe, Tipton, Onsted, Bridgeport, Brooklyn, Dryden, Berkley, Hazel Park and Ferndale.

**Summer Church**  
The Officials of the Bear Lake Summer Church met Friday May 10 at the home of the President, David Rosenburg, and announce that Dr. Glenn M. Frye will again be the pastor.

Worship services will begin Sunday May 25, at the Bear Lake Community Hall, M-72 and East Bear Lake Road, at 11:00 a.m. and continue through the month of September.

The Weekly Bible Study and Prayer sessions will be held Fridays during the month of June at the home of Harry Kull, at Bear Lake, Birchwood Springs Rd. The Church is being incorporated under the name "The Bear Lake Christian Church, (non Denominational)".

To the person or persons who felt it necessary to remove the flag from in front of the Eagles Club-also the rope.

Now that you have had your kicks, how about returning our flag. You took it without getting caught. I am sure you could put it back too.

Surely that flag isn't going to bring you any profit and I am sure you didn't take it with any intent to display it in your yard. We would appreciate its return.

Do something constructive instead of destructive, you might be surprised at the good feeling you would have.

Name withheld by request.

### Appreciation

Once again the Crawford County Chapter of the American Red Cross wishes to thank the students and teachers of Grayling High School and the people of Crawford County for a most successful Blood Drive.

The Blood Bank was held at the Grayling High School on May 13th with all of the volunteer functions handled by the students. About 30 students, 2 teachers and 3 Crawford County volunteer nurses assisted the regular Bloodmobile staff handle 110 donors from the first set up work to loading the truck to leave.

Thanks again to the students, teachers and the people of Crawford County, who make these Blood Drives so successful.

The Viking baseball club won a twinbill against Onaway last week, lost a pair to Rogers City and split a doubleheader with Cheboygan last week as the team prepared for district play beginning this Wednesday. The Vikes face Lincoln-Alcona in a District qualifying contest at the high school. The winner will play at Rogers City on Friday.

It was a topsy-turvy week for Coach Fred Wolcott's club and began with a double loss Monday to Rogers City, Grayling was rocked hard in both games,

dropping the opener, 12-2 and the nightcap as well to the hard-hitting Hurons, 18-1. Brad Trenary and Jeff Kortess were losing chucks for Grayling.

In the first game of the twinbill here against Onaway Wednesday, Jerry Lucksted went the distance to record his third triumph of the year, giving up just seven hits pitching the club to a 3-2 victory. Onaway jumped to a 2-0 lead after three, but the Vikes clawed back with two in the bottom of the fourth to knot the score. Scott Hale's single

knocked in the tying run and his base hit in the 6th sent Bill Roach, who reached first on an error and score second, scampering home with the deciding run.

The Vikes came back to win the nightcap, 6-4, behind Perry D'Amour's 5-hitter. Grayling scored 4 in the 1st inning on a single by John Juntilla and successive doubles by D'Amour, Bill Lucksted and George Bind-schatel and a safety by Brad Trenary. The Vikes added single runs in the 2nd and 3rd to provide the margin of victory.

The Vikes traveled to Cheboygan Friday and split a pair in league play, losing the opening slugfest, 20-15. Ten roundtrippers highlighted the game with Jerry Lucksted hitting a pair, including a grand slam in the second inning. Bill Lucksted added another for the Vikes. Jerry Lucksted was the loser in relief.

The Vikes bounced back to take the second game, 11-5, with Jeff Kortess nailing down his first win of the year, allowing just 3 hits.

Charlevoix comes to town for a doubleheader on Thursday.

**"Grayling's Own" at AT-80**By CPT Tim Everett  
(Story and Photos)

Over 300 Guardsmen and women from Camp Grayling's Headquarters, the 1438th Engineer Detachment and the 1071st Maintenance Company are attending Annual Training (AT) at the Camp during the period 10 thru 24 May.

These units provide the Camp a multitude of services both during the year on Inactive Duty Training (IDT) and during AT. These services include providing maintenance of equipment in support of the post, fire protection, maintaining the grounds and buildings of the Camp preparing plans, policies and standard operating procedures (SOPs) for Camp operation and a host of other related tasks needed to operate the 120,000 plus acre military training site.

While the units assigned the Camp are known to other Guardsmen across the state as "Grayling people," a quick check of the roster shows men and women from many other area towns. Mio, Petoskey, Traverse City, St. Helen, Gaylord, Frederic, Lovells, Roscommon, Stanton, Harrison, East Jordan, Gladwin—the list goes on and on. I even met one traveling fellow from Livonia, near Detroit!

Annual Training is being accomplished a little easier this year because the units permanently assigned the Camp are overstrength, thanks to the fantastic support they have received from the Grayling area, and indeed, across Northern Michigan. It is certainly easier to do one's job when everyone else is present to do theirs.

The photos accompanying this article are primarily of Grayling's 1071st Maintenance Company (mainly because I found them all together at the Mobilization and Training Equipment Site or MATES). Next week will feature Grayling's 1438th Engineer Detachment and Headquarters, Camp Grayling.

**Lawn and  
Garden Care**

By Jim Smith

A vegetable garden needs at least 6 hours direct sunlight each day in order to be productive. It is true there are flowering plants that are shade-loving, but not vegetables. There is one trick, however, which can improve your chances of growing vegetables in shaded area or one that gets shade early in the day—simply use rolls of aluminum foil as a mulch. The aluminum foil will act as a light reflector increasing the amount of light around your plants. It will certainly improve your chances of growing easy crops such as bush beans, lettuce and tomatoes.

There is a great deal of controversy about "organic" and "inorganic" principles of gardening, as well as a great deal of misunderstanding about what constitutes an organic gardener.

For example, it is wrong to think that every garden aid that comes out of a package is a hazard to the environment. There are many manufactured pest controls developed from organic compounds, and it is ridiculous not to consider using commercial controls when pests reach plague proportions, and threaten complete destruction of the garden.

For organic enthusiasts the following controls may prove of some benefit CUT WORMS—Wrap paper or cardboard around the roots (do not construct the root system) and plant 2 to 3" below the surface.

Marigolds—discourages nematodes and is repellent to rabbits. Slugs and Japanese beetles relish marigolds, however.

Wood Ashes—effective as a vegetable dust to deter chewing pests. Needs applying after every rain to be fully effective.

Milky Spore—controls Japanese beetles.

Bacillus Thuringiensis—controls inchworms and caterpillars.

Stale beer—draws slugs, but not effective in plague proportions.

Birds—many birds, especially robins, are beneficial in catching all kinds of insect pests, particularly cut worms and Japanese beetles. Consider birds a friend of the garden and not an enemy.

Frogs—control slugs and many other harmful grubs.

Cats—deter rabbits, control destructive moles, shrews and mice.

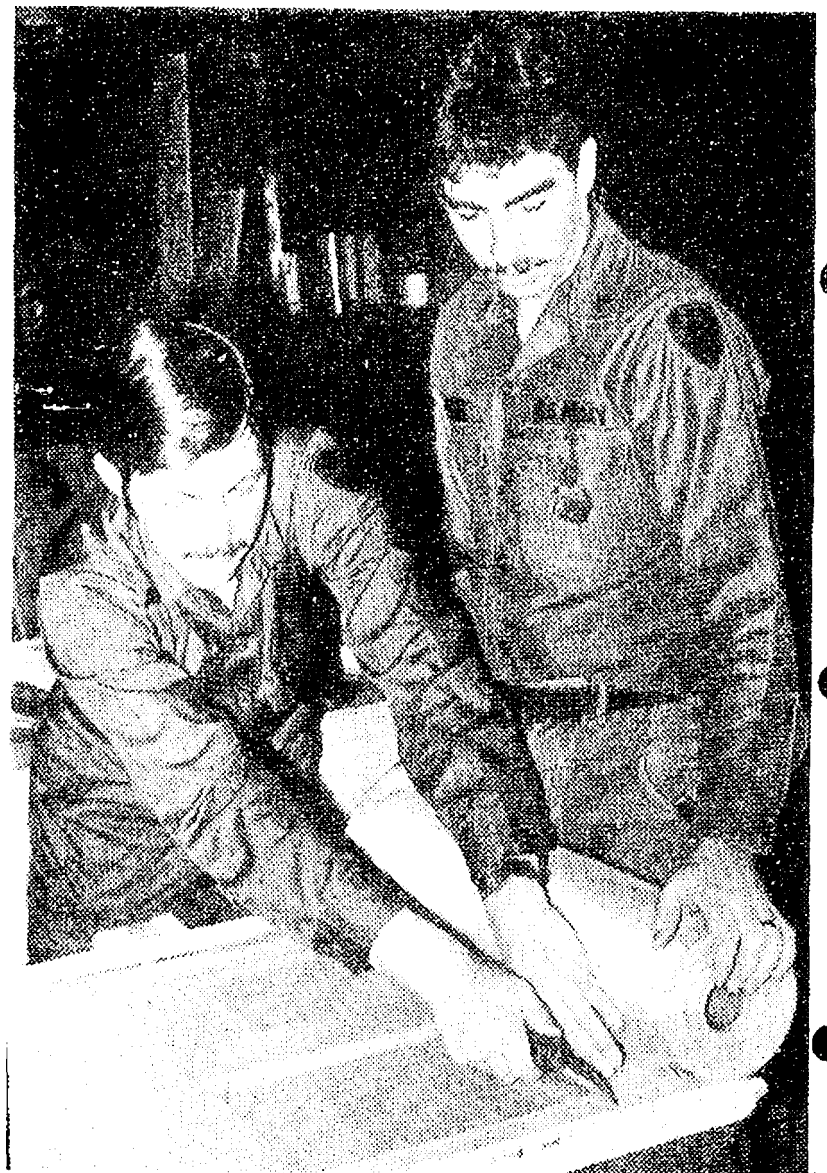

Earthworms—condition the soil.

GOOD MAINTENANCE begins with the basics. PV2 Martin Ernst begins the inspection of a full-tracked cargo carrier by check engine oil levels as part of his job with the 1071st's Maintenance Platoon. An automotive mechanic with the Guard, Martin lives in East Jordan where he is employed as a wood worker.

AN ARMY TRAVELS on its stomach as any veteran can tell you. The 1071st is blessed with an excellent food service section as SP5 Mark Horst of Gaylord is demonstrating. Mark is also a cook in civilian life, working for Gaylord's Tyrolean Ski Resort.

ONE OF THE 1438th Engineer Detachment's major tasks this AT is refurbishing some of the bath houses at the Camp. Repairing a screen door for one of them is SP4 Rodger Wojtylko of St. Helen (left) and SGT Scott McClain of Grayling. Both men work as carpenters for the 1438th and in civilian life.

**Two Records For Beth Jones Six GHS Runners Qualify For State Finals**

By Joe Schrader

Six Viking runners will compete in the Class C State Finals May 31st at Cassopolis following Regional competition held last Saturday at Benzie Central High School.

"Everyone ran extremely well," commented Coach Marilee Cheney in the wake of the team's 3rd place finish Saturday, "and Beth Jones had to be the outstanding runner at the meet."

The Vikes scored 59 points to finish just behind second place Benzie Central with 61. A power-ful Mason County Central squad with 106 points easily outdistanced the field consisting of 15 schools.

Grayling's premiere distance runner Beth Jones set two records in winning three events to become the only triple winner who competed Saturday. She was clocked in 2:29 to shave 2 seconds off the 880-yd. Regional record, ran the mile in 5:32 to crack the old mark of 5:35 and won the 2-mile event in 12:30.

Other qualifiers included Lisa Radebaugh, who placed second in the 110-yd. hurdles and Jean Stevens, who was runnerup in the 440. Also off to Cassopolis May 31st is the 880-yd. relay team of Jill Headlee, Karen Hanson, Shelly Peterson and Lisa Radebaugh, who raced to a second place finish Saturday.

Also scoring points Saturday was the mile relay squad of Headlee, Hanson, Joyce and Jean Stevens, whose fourth place finish was a notch below the qualifying level. Karen Hanson placed sixth in the disc.

Coach Cheney said the top three finishers in each of ten Regional Meets throughout the state will gather at Cassopolis to vie for state championships. "That's the biggie", she concluded.

When the team ran off with the Herald Times Invitational Track Meet last Monday, Beth Jones continued her domination in long distance competition by winning the 880-yd., mile and 2-mile runs. Karen Hanson won the discus and finished second in the 220-yd. hurdles. Lisa Radebaugh copped the 110-yd.

hurdles and took a second in the long jump, while Diane Lee won the 220-yd. hurdles competition and finished second in both the 110-yd. hurdles and high jump.

Jean Stevens ran off with first place in the 440 and tied for second with Shelly Peterson in the high jump. She also took a third in the 220-yd. hurdles. Other firsts went to the 880-yd. relay team of Jill Headlee, Karen Hanson, Shelly Peterson and Lisa Radebaugh. The mile relay squad of Headlee, Hanson, Diane Lee and Jean Stevens was also victorious.

Other point winners included Shelly Peterson, fifth in the 100-yd. dash, Jill Headlee, 4th in the 220, Celina Eshenroder, 4th in the mile and 2-mile runs and Diane Savallisch, 2nd in the shot put.

Grayling walked off with the first place trophy with 89 points with Gaylord finishing a distant second with 45. Onaway, Kalkaska, Mancelona and Gaylord St. Mary's finished third through sixth in that order.

The girls traveled north Thursday to face conference rival Rogers City and won the dual meet 64-59 in competition Coach Cheney called "nip and tuck all the way."

The squad has won every dual and triangular meet this season, concluding competition in those categories with perfect 6-0 and 4-0 conference records.

The girls won eleven of fifteen events but the Hurons kept things close by running second and third throughout the meet. First place winners for Grayling included Beth Jones in the 880, mile and 2-mile runs. Double winners were Shelly Peterson in the 100-yd. dash and 220 and Lisa Radebaugh in the 110-yd. hurdles and long jump. Diane Savallisch won the shot. Karen Hanson copped the discus and took a second in the

## Rep. Ralph Ostling To Seek Re-election

Roscommon—One Hundred and Third District State Representative Ralph A. Ostling announced today that he will seek re-election to the Michigan House of Representatives.

Ostling, who was first elected to the state legislature in 1972, said, "We are all faced with difficult decisions during these times of high unemployment and inflation. The challenge of representing the people of the 103rd District during the difficult days ahead is one of the greatest of my life. But I feel with my experience, and with my position on the House Appropriations Committee, I will be able to continue the task of cutting back government waste, eliminating needless and expensive state programs, and helping to get Michigan back on its feet."

The Appropriations Committee, of which Ostling is a member, is responsible for approving state expenditures. Ostling serves on the subcommittee on Social Services, Capital Outlay, and State Police and Military Affairs.

"I am pleased that Governor Milliken has taken the appropriate steps to cut back the state budget. My job on the Appropriations Committee is to analyze and recommend where the budget cuts can best be made," Ostling explained. "With Michigan's economic problems, it is more important now than ever before that government waste and fraud be kept to a minimum. Our welfare rolls have grown at an incredible rate during the past few months, and the state must tighten its belt to accommodate the unemployed, the elderly, and others on fixed incomes who are being destroyed by runaway inflation. At the same time, the Legislature must finally face the music and reform our welfare system, so that only the needy, not the lazy, will receive state welfare benefits. It's a tired tune, but I am confident that my colleagues realize the time for major reform is now."

Ostling has previously been a member of the Committees on Conservation, Environment and Recreation; Liquor Control; Corporations and Finance; and Corrections.

A veteran of World War Two, Ostling and his wife Thela reside in Roscommon.

### Getting Rich

Somebody once said that if you want to make a living you have to work for it, while if you want to get rich you must go about it in some other way.

## National Reye's Syndrome Foundation

Article 3  
Lillian Wolf-Director

This in my 3rd article on Reye's Syndrome and is mainly devoted to what parents should do if they suspect RS in their child.

First, and most important—don't PANIC. Every child that contracts RS does not die, as some papers seem only to report. Early diagnosis and immediate medical treatment is your main concern.

If you are worried that your child may have RS, ask your doctor first. Tell him of your fears and that you would like to have RS ruled out. A simple blood test can give your doctor information he will need in helping your child. If your child should have RS, then he will be prepared to observe the child's medical behavior, usually while in constant communication with Reye's doctors, elsewhere in the state.

If the need arises, your child would then be transferred to a hospital that takes care of children's diseases, especially Reye's Syndrome. Have confidence in your Doctor first. If he takes the diagnostic tests necessary to rule out RS, then at least you have sought proper medical assistance for your child.

If you are not satisfied, talk it over with your physician and Senior Citizen

### Homemaker Service

What is Homemaker Service? It is homemaking—assistance in performing routine household activities to maintain an adequate living environment for the individual. Homemaking tasks might include light housekeeping, meal preparation and laundry services, grocery shopping and occasional transportation to medical appointments.

These services are offered to any Crawford County Citizen that is 60 years of age or older and is unable to do these most necessary homemaking tasks. If you or you know of anyone that is home-bound due to temporary conditions, such as, illness, injury, arthritis or other handicaps please give me a call at the Senior Citizen Center, 348-9314. There is no charge for this service, however, if you can afford to pay, we do accept donations. This allows us to do more services for more people.

The Homemaker is not allowed to administer personal care—in-home assistance with activities of daily living for an individual with a demonstrated need, including assistance with bathing, dressing, toileting, transferring, eating and ambulation. These services are distinguished because they require different sets of skill and qualifications. Distinguishing these levels of care is also more cost efficient in that it reduces the likelihood of a health professional performing a service that requires less training.

Also, if you or someone you know has a few hours a week to volunteer to help provide these services to the homemaker program please call me here at the Senior Citizen Center. The volunteer will receive \$1.50 per hour and 18½ cents per mile. The \$1.50 is called a stipend, which means that it cannot be counted as wages.

### Acreage Reports Needed

What do farmers in Crawford and Roscommon Counties have in common with farmers in Iowa and Illinois? If they're growing wheat, corn or barley farmers in Crawford and Roscommon counties are eligible for all the benefits of the 1980 Wheat and Feed Grain Program the same as those growers in the Corn and Wheat Belts.

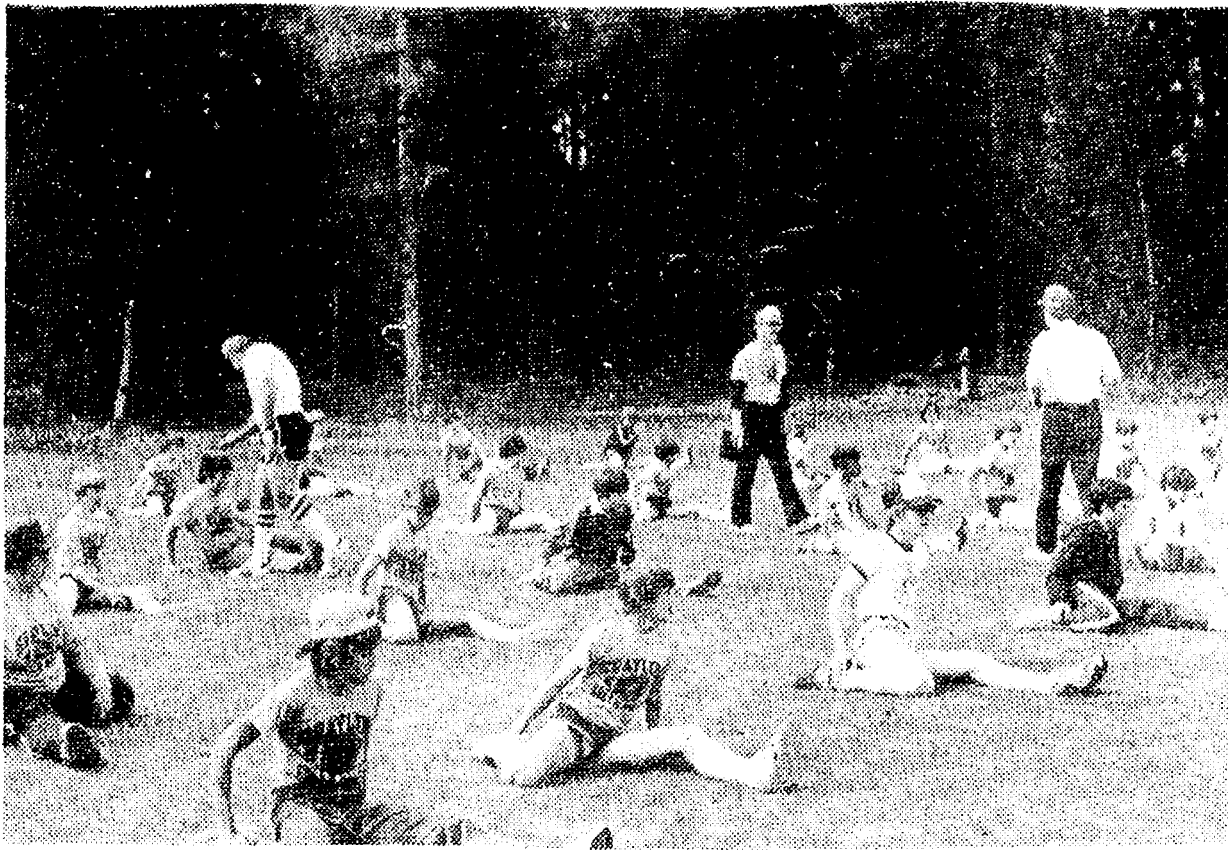

In announcing the 1980 Wheat and Feed Grain Program Thomas Bluhm, manager of the Roscommon-Crawford office of the Agricultural Stabilization and Conservation Service (ASCS) noted that the only requirement for participation was that farmers report their planted acreage to their ASCS office no later than July 1st.

"We realize that these two counties do not have a lot of farmers growing corn or wheat but there are a few and they are eligible for all the program benefits providing they certify by July 1st.

By reporting their 1980 planted acreage, they become eligible for disaster payments should weather cause production losses, they are also eligible for deficiency payment should the national average price of wheat, corn and barley fall below established "target prices" which reflect the cost of production.

In addition, farmers are also eligible for low interest commodity loans with their harvested crop as collateral. The 1978 and 1979 Wheat and Feed Grain programs required farmers to set aside acreage and imposed planting restrictions as a condition of eligibility but any farmer planting program crops will be eligible as long as an acreage report is filed by July 1st with our office," Bluhm said.

The Crawford-Roscommon ASCS office is located at 409 Lake Street in Roscommon, phone 517-275-5231.

### Parks and Recreation To Receive \$46,000 Grant Here

The Parks and Recreation Commission has been notified by the Northeast Manpower Consortium of which Crawford County is a member, that it has been awarded financial grants totaling approximately \$46,000 for special projects.

Projects funded by the grants include the Land Use Development of Hanson Hills Recreation Area and a survey to determine the impact of Camp Grayling on the local economy. Four employees will be engaged in the first project and three in the second.

The Land Use Development Project focuses on providing Hanson Hills with year round recreational facilities. The 286 acre complex has previously been used only for winter activities such as skiing and the Annual Winter Sports Carnival. The plan is to improve the grounds, develop hiking trails, provide picnic areas, establish diamonds for baseball and soft-

ball, construct tennis courts and clean-up the water front.

The Hanson Hills Recreation Area is administered by an Authority of at least 7 members representing Grayling, Grayling Township, the School Board plus one member at large and one from the Military. Its facilities are available for public use and youth groups, scouts, Day Care, schools and other recreational organizations are encouraged to participate.

The Economic Impact Project consists of surveying Camp Grayling Personnel, Grayling Area Merchants, Crawford County businesses, and area lodging and camp sites. These surveys will be conducted during the annual training period for all encampments as well as among local citizens before and after the training schedule. The information will then be computerized by Michigan State University's

Statistical Department and released for use by local, state and Military authorities. Much of this information will be used in Pentagon Assessments of local communities to determine future Military assignments.

The Crawford County Parks and Recreation Commission is governed by Michigan Act 261, which was adopted by the County Commissioners in August 1969. Members of the Commission are appointed by the County Commissioners.

The Commission is conducting these projects in co-operation with the local CETA office.

## Participate in Special Olympics

On Saturday, May 10, 18 students from Grayling Elementary School participated in the Area 4 Summer Special Olympics held in West Branch. The day began with a color guard and parade of all the participants.

The 440-relay team, made up of Grayling students, David Argue, Tracy Reisinger, Jeff Reichelderfer and Chris Jenney, had the honor of carrying the torch around the track and up the stands to begin the games. All of the students came home with many ribbons from events such as, Tug-of-War, 440 relay, Frisbee distance and accuracy; field events, 50 yard dash, 220 yard dash, 100 yard dash, 440 yard dash, soft ball throw, and standing long jump; gymnastics; floor exercise routine, balance beam, tumbling; wheel-chair events; 25-yard race and the slalom.

Pictured are the participants, from left, back row, Tracy Reisinger, Michelle Hatley, Tommy Dean, Bill Reichelderfer, Steve Belcher, David Argue and Pepper Gorten. Front row: Chris Wylie, Chris Jenney, Robbie Montgomery, Jeff Reichelderfer, Joey Krietner, Jeff Wrona, Michelle Mitchell, Bobby Rollins, Stephanie McMurray, Angie Piehl, and Rita Gammon.

Lisa Rininger and Chris Lauria would like to thank the following chaperones: Mr. and Mrs. Reichelderfer, Mr. and Mrs. Montgomery, Isabel Stinson, Al and Barb Myers, Julie Anderson, Ruth Games, Mike Anthony, and Kent Rininger. They made the day a success.

From Crawford Road Commission re: M-72 W Railroad Crossing.

Bid opening scheduled for July 16, 1980.

Old Business

Mayor Thompson opened the public hearing on the 1980-81 City Budget at 8:00 p.m. The proposed use of Federal Revenue Sharing Funds was discussed. Mr. Morford stated that these funds have been committed to our street construction program and will be so used. No questions were asked by those attending.

The budget as a whole was discussed. Changes in the budget format were explained by the City Manager as well as the entire budget.

Motion by Failing, supported by Thompson that the public hearing on the 1980-81 budget be closed. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mr. Thompson asked about the airport. The City Manager discussed the information supplied by the Dept. of Labor personnel which was taken from a draft of their report to the Economic Development Steering Committee. A request from the airport for financial support in the amount of \$2,000.00 has been received.

Cemetery expenses and revenues were discussed.

Several personnel matters will be brought to Council at a later date. These would not change the budget structure.

Mr. Morford reported on the 1980 street program which started today. He presented several items of business for council action. Invoice from R.S. Scott Engineering Co. for \$1,217.00.

Motion by Golnick, supported by Westervelt that the invoice from R.S. Scott Engineering Co. be paid. Ayes: 5, Nays: 0, Absent: 0, motion carried.

He presented a letter from the Crawford County Road Commission agreeing to pay for some additional work on Lawdale Street.

Motion by Thompson, supported by Golnick that deductive alternate No. 2 be approved and constructed with the Road Commission to be billed for actual cost. Ayes: 5, Nays: 0, Absent: 0, motion carried.

He also presented a letter from Father Neis of St. Mary's Church relative to paving of Peninsular St. with the additional parking area for which the Church agreed to pay. He presented a cost estimate of \$9,774.40 for the street paving and approximately \$4,000. for the required head-in parking.

Motion by Failing, supported by Golnick that the City Manager be authorized to contract for the paving of Peninsular Street with the head-in parking area to be billed to St. Mary's Church as per estimate on an actual cost plus overhead basis. Ayes: 5, Nays: 0, Absent: 0, motion carried.

New Business

The City Manager requested council to change the date of the May 26, 1980 council meeting as this is the Memorial Day holiday.

Motion by Golnick, supported by Failing that the date of the May 26, 1980 council meeting be changed to May 27, 1980. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Discussion took place on a request for financial aid in a sidewalk replacement at 606 Chestnut St. The cost to the city would be 40% of the cost.

Motion by Golnick, supported by Thompson that council agree to participate in the sidewalk replacement at 606 Chestnut St. on a 60%-40% basis. City cost to be \$105.30 plus or minus. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Audit proposals were received from Hill, Woodcock & Distel and Shilling, Werner and Berlinski for the 1979-80 fiscal audit. The City Manager passed out the proposals for council information and action at a later meeting.

Mrs. Anne Buron will retire from city employment on May 30, 1980.

Motion by Golnick, supported by Thompson that the following proclamation be adopted:

## PROCLAMATION

WHEREAS, on July 29, 1964, Frances Anne Buron accepted employment with the City of Grayling, and

WHEREAS, she has faithfully carried out her duties as a city employee and been cheerful and helpful to the customers of the city, and

WHEREAS, on May 30, 1980, she will be retire from employment with the city.

THEREFORE, BE IT HEREBY RESOLVED, by the City Council of Grayling, Michigan, that they express their appreciation to Frances Anne Buron for her sixteen (16) years of dedication to her position and to the Citizens of Grayling and wish her many happy years of retirement. Adopted this 12th day of May 1980. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Reports of Councilmen

Mr. Golnick asked about the possibility of a sealcoat application to improve the condition of the hill on Ingham St. by the lift station. Mr. Morford will look into the matter and report back.

Reports of City Manager

The City Manager reported on the following items.

Several legislative matters.

Adjournment

Motion by Golnick, supported by Failing that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried.

# Around the World With Steve Rison

**EDITORS NOTE—**This is part two in a three part series covering Steve Rison's "Trip around the World."

My Sumatran experience continued as I made my way across Sumatra by bus. It was another long and arduous trip high-lighted by brief eye contacts with children as we whisked by the numerous small villages. My Sumatran stay ended on a beautiful island in the middle of Lake Toba in the north of Sumatra. Here I found a peaceful village, friendly people, fellow travelers, and a comfortable lodger (small hotel like accommodation) with a veranda overlooking the lake for 250 rupiahs (35 cents U.S.) a night. The more "expensive" rooms on the hill were about 70 cents a night. Unfortunately I only had a few days left on my Indonesian visa so it was only a brief stay.

Leaving Sumatra in early March I flew across the Strait of Malacca to Penang on the west coast of Malaysia. Penang (Georgetown) an interesting city with English influence, presented a pleasant contrast to some of the rigors of Indonesian living. I was able to connect with an Australian teacher friend of friends and than had a pleasant introduction to Malaysia. I even saw the movie "The Deerhunter" which I've wanted to see for months but have always missed.

I only stayed a few days in Penang before heading straight to Singapore as I was anxious to check out my mail-it being my first mail drop in months. I wasn't disappointed either as I had a virtual stack of letters from home. (Keep them coming!)

Singapore is a far cry from my original old movie im-

pressions of a seedy overpopulated Southeast Asian port city. It is the Toronto-Vancouver-New York of Asia. One of the cleanest, modern and most efficient cities I've seen. A real shopper's paradise (I got some great deals on camera equipment) it even has a McDonalds which I ate with immeasurable satisfaction and enjoyment having had my fill of rice dishes over the previous 6 weeks.

I spent 5 days relaxing and organizing in Singapore and then began moving up the east coast of Malaysia stopping in some small fishing villages along the way and continued to be treated most hospitably by local villagers.

I crossed into Thailand the end of March and first went to a small island Ko Samin, in the Gulf of Siam for a couple of beautiful days of sun and ocean before heading north to Bangkok. As some of the buses in southern Thailand had been robbed recently by armed bandits I opted to take the train.

## Release of Balloons

Keep your eyes up June 2, as the Chickens and Rabbits 4-H Club of Crawford County will be launching helium balloons. This 4-H Club is for all young animal lovers...not just owners of chickens and rabbits. Kathy Mobarak, the Club leader has a number of interesting activities planned.

The Club members will learn the proper care and grooming methods, and breeding of rabbits and chickens. Kathy stresses the point that in order to be a member of the Club, you do not need to own your own chicken or rabbit.

However, the boys and girls will learn how to build cages and housing and the use of rabbit manure in the family gardens as fertilizer. Participation of the Club in the local fairs is also one of Kathy's goals for the club.

If you're interested in more information, call the Cooperative Extension Service, Youth Programs, at 348-5123.

## Will Roach Scores in GVSC "Blue" Win

Grayling's Will Roach tallied a TD from twelve yards out in helping Grand Valley State College's "Blue" squad to a 36-7 win over the "White" team in spring drills.

Roach, who starred for Grayling High before entering Grand Valley, has been a standout tailback for the Lakers the past three football seasons. He will be a senior this fall.

## Road Commission Minutes

May 2, 1980

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Richter presiding. Present were: Chairman Ervin Richter, Commissioners Grover Cason and Gloria Kraus, Manager Charles Fox, Engineer Ron Herneke, Foreman Norm Feldhauser and Secretary Lorna Bernard. Absent: None.

The minutes of the last regular meeting were read. Chairman Richter made a motion to accept the minutes with corrections, seconded by Commissioner Cason. All voted in favor, minutes approved.

Attorney Douglas Dossan appeared before the Board to discuss union negotiations. Commissioner Cason made a motion to close the doors for a closed door session, seconded by Commissioner Richter. All voted in favor, door closed at 10:30 a.m.

After the doors were open at 11:00 a.m., Engineer Herneke discussed the construction program for 1980. Engineer Herneke informed the Board that construction plans for Pere Cheney Road are being drawn at this time.

The Board discussed the sign survey that was made by Professional Engineers with Engineer Herneke and asked that he check and see if there are federal funds available. If not, that he review the survey and to recommend to the Board the priority needs for signs within the county.

The Board discussed the need for centerline painting within the county, it was determined that specific roads would be recommended at a later date.

The Board recessed for lunch and upon returning to the office convened their meeting. Manager Fox informed the Board that letters were received from the Department of Natural Resources regarding the repair of Smith Bridge. The Board determined that there has been no budget set aside for the project. The Department of Natural Resources has \$4,000 for the project of which the Road Commission is willing to use for repairs. Manager Fox is to follow through.

Manager Fox informed the Board that the motor at the Martindale Brine Well needed replacing. The Board authorized him to purchase a new motor and to obtain a price for rewinding the old motor for a spare.

A request was received to use the storage barn. The Board determined that in the best interest of the Road Commission, that for safety reasons and the inconvenience of having to store the trucks outside, that the building would not be let.

Manager Fox was instructed to prepare bids for the Road Commission needs for a pick-up and blades for the coming season. The Board also informed Engineer Herneke that he should prepare the bids for the oil for the seal coating of Lovells Road.

Engineer Herneke informed the Board that the inspection of some of the bridges were due and after discussion, Chairman Richter made a motion that Owen Ayres was to proceed with the inspection, seconded by Commissioner Kraus. All voted in favor, motion carried.

A request was received from the D & M Railroad that a culvert is needed under the tracks in Frederic. Further information will be gathered before any decision is reached.

Manager Fox informed the Board that the traffic counters have been repaired and that we are proceeding with placing them on the roads for the needed traffic count.

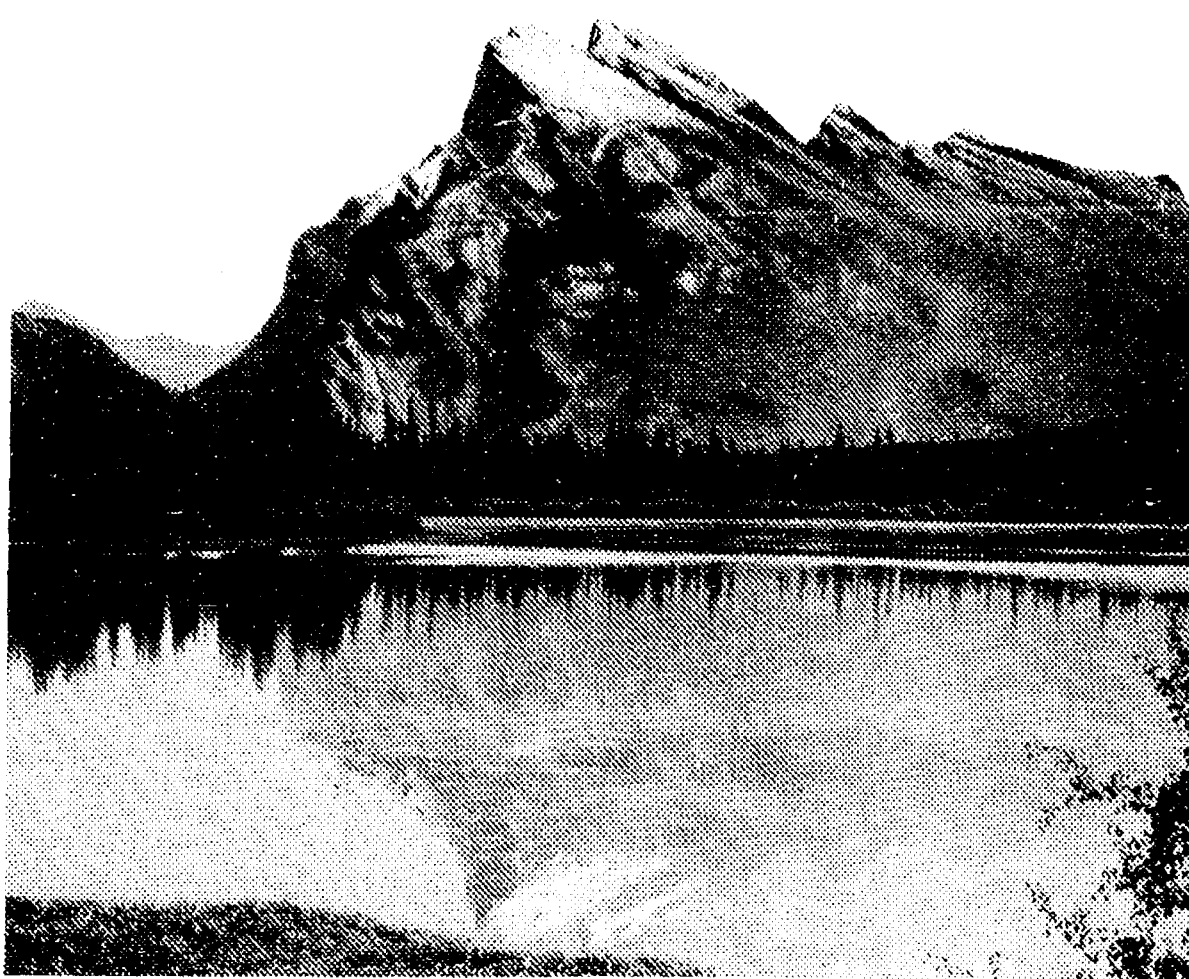

Engineer Herneke was asked to meet with Grayling and Frederic Townships to review their requests for local road construction.

Chairman Richter, Commissioners Kraus and Cason and Manager Fox attended the Vacationland Conference on April 24, 1980 in Roscommon County.

There being no further business, a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

Ervin E. Richter, Chairman  
Lorna Bernard, Secretary

## Attend the Church of Your Choice

## REFLECTIONS

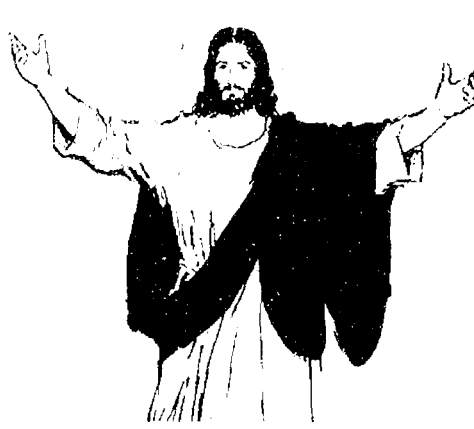

Strange how a landscape sets the imagination to work. Right now, looking at this scene, I can imagine all sorts of things.

Winged steeds riding to heavy music... pioneers in the wilderness... castles on the cliffs... boating at high speeds.

Look at the magic that enables the lake to mirror the rocky mountain peak and the heavens! The vastness and stillness of the scene sets my mind to wondering about time and space and things I will never understand.

But in standing here and wondering so, I feel like I've been near God.

There is a place where I can find Him always—in Church. Will you come with me?

he/she wishes to pursue.

•A successful candidate may re-apply for a second scholarship for a succeeding year. Consideration shall be given to such application, however only after other candidates have been screened for the current year, and only if monies are available at that time.

•Periodic reports shall be submitted to the Grayling Youth Booster Scholarship Committee. Reports shall be on a semester or term interval or as otherwise requested by the Committee.

Yorkin said Grayling High counselors and members of the Crawford-AuSable Administrative Staff assisted the club in formulating the details of the program.

### Timberview

(Continued from Page 1)

Timberview spokesperson, and above all, "because she has always been a good mother."

Mrs. Clark raised two daughters, Edna Putnam, who still resides in Roscommon, and Rachael Stenett, who passed away in 1974.

She has been active in the Rebecca, belongs to the World War I Auxiliary, and is active in the Ladies Aid and other Roscommon Congregational Church groups. She has five grandchildren and six great grandchildren and makes frequent trips to visit and spend time with her daughter in Roscommon.

"I have led an ordinary life," she said Wednesday as she reflected about her life here, "nothing out of the ordinary has happened to me."

But her friends at Timberview think she's "more than just ordinary" and showed their affection for Mrs. Clark by naming her "Mother of the Year" for 1980.

Mrs. Clark succeeds her roommate, Laura McLeod, who received the honor last year.

### Picks Name

The Grayling Area Jaycees announced that the name the festival contest was won by Stacy Robinson.

The name is "The AuSable Canoe Carnival".

Stacy will receive a \$50.00 gift certificate-redemable at Ray's Canoe Livery.

The festival this year will include: a corn roast, chicken barbeque and live bands-all Downtown Grayling on July 25th and 26th.
